## July 2020 Volume 27 Issue 11

### President's Note

Greetings, Tulsa Area Prime Timers!

Thanks to you for being safe in June. Sure did miss you some of you.

Hope that July will bring more of us back together.

The TAPT events for June were not a total washed out.

We did have Game Night on June 20 with four players. Thanks for being there.

We had Dine out on June 11. 7 members had meal together.

We had lunch bunch on June 19. 5 members had time to visit.

Just because we can not all see each other in person, we all have a phone. Send a selfie to each other so we do not forget who you are.

Remember our monthly events. July 18 is our TAPT picnic.

Let us break last years attendance.

Just hang in there it will pass.

See you at our next meeting on July 14. The The Equality Center is now open.

Hug a Prime Timer today!

Love, John Madigan

Happy Birthday America

We are getting old but we shall get through it.

Americans will do their civic duty holding up Old Glory.

Remembering the past we put our flag through.

Saluting on July 4 for what stands for.

Look into the future for what the flag will keep us safe.

Happy 244 years of growing up and proud.

Bill Russell

Happy Birthday!

July 31

## **Want to Make a Difference?**

I want to thank TAPT members who have turned in their food list for the TAPT picnic at Chuck's. Members have a great reason for attending this year. We will be fulfilling our mission. Prime Timers can not stay form each other for long. We thrive on commodore, friendship and socializing. Please plan to attend. We have new members to get acquainted. You can swim to cool off. Shade to sit under to visit. If get to warm always find a chair in doors. Bring some dish to share. Prime Timers can always rally around food. New members call or e-mail a board member for directions to our host's home. Thanks editor John M.

#### **IF MY BODY WERE A CAR...**

If my body were a car, this is the time I would be thinking about trading it in for a newer model. I've got bumps and dents and scratches in my finish, and my paint job is getting a little dull. But that's not the worst of it. My headlights are out of focus, and it's especially hard to see things up close.

My traction is not as graceful as it once was. I slip and slide and skid and bump into things even in the best of weather.

My whitewalls are stained with varicose veins. It takes me hours to reach my maximum speed. My fuel rate burns inefficiently.

But here's the worst of it --

Almost every time I sneeze, cough or laugh, either my radiator leaks or my exhaust backfires.

Is there a recall or service bulletin.....

I QUALIFY -How about You?

#### **MY SON THE VET**

One Sunday, while counting the money in the weekly offering, the pastor of a small Florida church found a pink envelope containing \$1000. It happened again the next week. The following Sunday, he watched as the offering was collected and saw a little old lady put the distinctive pink envelope in the plate.

This went on for weeks until the pastor, overcome by curiosity, approached her. "Ma'am, I couldn't help but notice that you put \$1,000 a week in the collection plate," he stated.

"Why yes," she replied, "every week my son sends me money, and I give some of it to the church."

The pastor replied, "That's wonderful, how much does he send you?"

The old lady said, "\$10,000 a week."

The pastor was amazed. "Your son is very successful; what does he do for a living?"

"He is a veterinarian," she answered.

"That is an honorable profession," the pastor said. "Where does he practice?"

The old lady said proudly, "In Nevada. He has two cat houses in Las Vegas and one in Reno."
