

TULSA AREA PRIME TIMERS PRIME NEWS

September 2020 Volume 28 Issue 1

President's Note

Greetings, Tulsa Area Prime Timers!

Thanks to you for being safe in August. Sure did miss you some of you.
Hope that September will bring more of us back together.

The TAPT events for August we had a nice turnout.

Our Dine out night was at a new restaurant with six members present.

We did have Game Night on August 22 with 5 players. Thanks for being there.
We had lunch bunch on August 21. 4 members had time to visit.

Looking forward to a new year for TAPT. Look in activities for date and time of our anniversary party.

Just because we can not all see each other in person, we all have a phone. Send a selfie to each other so we do not forget who you are.

Remember our monthly events. You could put events in your phones. It will call you.

Just hang in there it will pass. No member has been sick.

See you at our next meeting on August 11. The The Equality Center is now open.

Hug a Prime Timer today!
Love, John Madigan

The computer in my high school classroom recently stated acting up. After watching me struggle with it, one of my students took over,
"Your hard drive crashed," he said.
I called the computer services office and explained, "My computer is down. The hard drive crashed."
"We can't just send people down on your say-so. How do you know that's the problem?"
"A student told me," I answered.
"We'll send someone over right away."
Rolf Eklund

Happy Birthday!

Norman Henley	Sept 15
Ralph Krause	Sept 10
Jason Rodebaugh	Sept 05
Dale	Sept 30

TULSA AREA PRIME TIMERS MONTHLY MEETING August 11, 2020

Chuck Cagle volunteered to provide refreshments for September 8 2020.

Motion to adjourn was made by Bob Glahn. Second by David Dowland. Motion passed.

Meeting adjourned at 7:32 p.m.

Norman Henley, Secretary.

Want to Make a Difference?

TAPT members. Our club is starting a new year this month. 28 wonderful years being friends with you. Many of the early members has gone to Prime Timers heaven. We miss them and their contribution to TAPT by just being there. When gay men get together there is no one the same. That what makes Prime Timers special. Always a different flavor in each of us.

Wesley and Omer saw the uniqueness when they started TAPT in 1993.

Make this new year one for the record book. Come out to events when you can. Keep in touch with each other. Above all make Woody proud as he look down on us.

Thank for being a Prime Timer. John Madigan President

Flowers do bloom in Tulsa. Thanks to cooler summer

When I was stationed in Wurzburg Germany, I ran several miles every day along the beautiful Main River. Once, several fellow lieutenants, all men, joined me. For the first half of the run I was able to keep up with them. However, on the return I started to fall behind.

"How are you doing back there?" one of the guys called.

"Fine," I replied. I didn't want to admit I couldn't keep up with their fast pace, so looking past the river to the vineyard covered hills, I said, "I'm just enjoying the view."

One lieutenant, running easily in his skimpy nylon shorts, hollered back, "Thanks!"

Virginia B. Taylor

Lightning you should know about

Fact: Standing underneath or near a tree is the second most dangerous place to be during a thunderstorm; the most dangerous is being outside in an open space. An enclosed building with wiring and plumbing is the safest place to be during a storm. Remember: Trees, sheds, picnic shelters, tents or covered porches will not protect you from lightning.

Fact: The human body does not store electricity. If you are able to, you should give a lightning victim first aid and/or immediately call 911. This is the most chilling of lightning myths because it could be the difference between life and death.

Fact: Crouching down will not make you any safer. If you are stuck outside during a storm, keep moving toward a safe shelter.

Fact: lightning can, and often does, strike the same place repeatedly — especially if it's a tall and isolated object.
