Should stay in a Motel

Two campers are hiking in the woods when one is bitten on the rear end by a rattlesnake.

"I'll go into town for a doctor," the other says.

He runs ten miles to a small town and finds the only doctor delivering a baby.

"I can't leave," the doctor says.

"But here's what to do. Take a knife, cut a little X where the bite is, suck out the poison and spit it on the ground."

The guy runs back to his friend, who is in agony.

"What did the doctor say?" the victim cries.

"He says you're gonna die."

Prime Timers after the movie

Gray Season

Ofttimes in life's dark seasons,
 We must dig deep to find
 The strength secured by courage-
 We need from Him a sign..
 That He is always present,
 So we quiet self and wait.
 His love enfolds the faithful
 And we settle in the wake.
 The sun again will brighten
 And lighten then our fears.
 We'll gather strength and courage
 To wipe away the tears;
 For one Who travels with us
 Will lift the season's grays;
 Through love and perseverance,
 New roads will lead new ways.

Today

Don't ever put off'til tomorrow
 A kindness you can do today,
 For someone who might be hurting
 As they struggle along their way.
 Hold out your hand in friendship,
 Just let them know you're there,
 Willing to offer a helping hand
 And show them that you care.
