About getting old

You know you are getting old when.... You find yourself standing next to your car with you keys in your and; but, you can't remember whether you are going somewhere or you just got back. You walk out to the parking lot of the mall, and not only do you forget here you parked; but, you also forgot what car you were driving. Your daughter takes you out to dinner, and the cashier takes one look and gives you both the senior discount. Everything hurts, and what doesn't hurt doesn't work. You reach down to pull up your wrinkled stockings and realize you don't have any on!

Beyond Tomorrow's Sunrise

Beyond tomorrow's sunrise,
 A new year will come,
 A time for new beginnings
 With every rising sun.
 There is hope on the horizon,
 Despite our fears and woes,
 For we must endure the Winter
 To behold Spring's first rose.
 God grants us many blessings
 And gives us daily bread,
 For He Who feeds the sparrow
 Provides so we are fed.
 May you grow in grace and prosper,
 As old things pass away,
 And stumbling blocks become stepping
 stones
 To a newer, brighter day.
 Let's build bridges to the future,
 Together, hand-in-hand,
 And tear down walls that divide us
 Across this hallowed land.
 In this time of new beginnings,
 Fond memories we'll recall.
 Beyond tomorrow's sunrise,
 God bless one and all

Clay Harrison

Where I Have and have not been
 I have been in many places, but I never
 been to Cahoots. Apparently, you cannot
 go alone. You have to be in Cahoots with
 someone.

I have also never been in Cognito. I hear
 no one recognizes you there. I have,
 however, been in Sane. They don't have
 an airport; you have to be driven there. I
 have made several trips there, thanks to
 my friends, family and work.

I would like to go to Conclusions; but you
 have to jump, and I am not too much on
 physical activity anymore.

I have also been in Doubt. That is a sad
 place to go, and I try not to visit there too
 often. I have been in Flexible but only
 when it was very important to stand firm.

Sometimes I am in Capable, and I go
 there more often as I am getting older.

One of my favorite places to be is in
 Suspense! It really gets the adrenalin
 flowing and pumps up the old heart!

At my age I need all the stimuli I can get!
 But one place I do not ever want to be is
 in Continent. Although, I hear a lot older
 individuals make in to in Continent.
