Retirement Planning From Ben Landis

If you had purchased \$1,000.00 of Nortel stock one year ago, it would now be worth \$49.00. With Enron, you would have had \$16.50 left of the original \$1,000.00.

With WorldCom, you would have had less than \$5.00 left.

If you had purchased \$1,000 of Delta Air Lines stock, you would have \$49.00 left.

But, if you had purchased \$1,000.00 worth of wine one year ago, drunk all the wine, then turned in the bottles for the recycling REFUND, you would have had \$214.00.

Based on the above, the best current investment advice is to drink heavily and recycle.

Let people you care about know this and tell them to start now! I am passing this information on as a public service. There is no need to thank me.

Happy Birthday!

Want to Make a Difference?

TAPT members , we are approaching our 30th anniversary as a club.

What a mile stone for you and Tulsa. We are gay and proud. We may be seniors but have the stamina to out last the naysayers.

Let's put September 2023 on the map. We need a space for all of us to celebrate. We got do what PrimeTimers do best eat. But what.

The comradery of getting together will come form each other.

Give it some thought. We earned the fun.

Thanks President John M.

Gifts

Support, inspiration and comfort
 Are gifts one can give from the heart.
 Encouraging words and connections
 Are blessings to share, as a start.
 A gift need not be a treasure boxed up
 And tied with a satiny bow.
 Guided by love, dig down in your soul
 To give of yourself with a glow.
 Kindness creates a heart-to-heart bond.
 Words convey comfort and peace.
 Don't limit the blessings you have and can
 share...
 Exchange of such gifts will not cease.
 Be generous, helpful, considerate, fair -
 These are gifts given to share!
 Abiding in consciousness of divine love,
 Each treasure we give shows we care.
 Ruthmarie Brooks Silver

I Own Them All

I'm sure I own the hilltops
 And the lovely sky of blue,
 The rambling little streamlet,
 And I own the mountains too;
 The rain that falls in April
 And the golden sun that shines,
 The gentle breeze of Autumn
 As it whispers through the pines.
 I claim a part of Nature,
 Flowers that bloom along the lane,
 Every star within the heavens,
 Every field of golden grain -
 The country path I treasure,
 Little birds that dare to sing,
 The butterflies of Summer
 As I meet each new tomorrow,
 I find happiness untold
 In every shining raindrop
 And the sun if brightest gold...
 The storms – the clouds – the rainbow,
 All the liveliness of Fall;
 I am beyond all measure,
 Just because I own them all
