A Chapter of PrimeTimers® Worldwide

June 2024 Volume 31 Issue 9

President's Note

June is internationally celebrated as Pride Month, commemorating the pivotal moments that shaped the LGBTQ+ movement. One such moment was the Stonewall Riots, sparked by aggressive police action against the patrons of the Stonewall Inn in NYC. Refusing to be silenced, they resisted night after night, demanding their right to exist and express themselves freely. This is not just their story but our ongoing reality. Even today, we face marginalization, exclusion, and judgment when we display our true selves, show affection towards the same sex, or express our identities openly.

In June 1969, those brave individuals at Stonewall stood their ground, establishing a foundation for the equality we continue to fight for. Their resilience laid the groundwork for the rights and freedoms we strive to protect and expand today. The Dennis R. Neill Equality Center, where TAPT regularly meets, stands as a testament to their struggle and the fruits it has borne. It is a symbol of our enduring fight for equality against all odds.

As we honor this legacy, let us not forget our upcoming events. We mourn the loss of one of our own while preparing for the C0KPT roundup and our major fundraiser for OKEQ on June 22nd at 6:00 P.M. Let's continue to stand together, celebrate our victories, and work towards a future where everyone can live openly and proudly.

Your President Bob B.

We lost PrimeTimer this month.
On May 21 2024 Bill Young had passed.
He was a member a short time, we enjoy his being with us at our events.
We enjoyed his smile and his happiness to be with us.
Thanks Bill for your friendship even for a short while.
You will be missed.

Sunshine is delicious,
Rain is refreshing,
Wind braces up,
Snow is exhilarating;
There is no such thing a bad weather,
Just different kinds of good weather.

What you plant
If you plant honesty, you will reap trust.
If you plant goodness, you will reap friends.
If you plant humility, you will reap greatness.
If you plant perseverance, you will reap contentment.
If you plant consideration, you will reap perspective.
If you plant hard work, you will reap success.
If you plant forgiveness, you will reap reconciliation.

Please do not drink when you drive, you are not ready to see me yet. God

Today Truths

I think part of a best friend's job should be to immediately clear your computer history if you die.

Nothing sucks more than that moment during an argument when you realize you're wrong.

I think the freezer deserves a light as well. How many times is it appropriate to say "What?" before you just nod and smile because you still didn't hear or understand a word they said?

Bad decisions make good stories
