Thanks Prime Timer for your presents at the OKEQ Gala. The room knew we were in the house. Each year we let the Gay Community we are here we are proud and we are older men with make their mark. It took six people to come and tell us to cut the fun. That was a sign you had a great time. Thanks for these great memories.

Only in America

We leave our cars worth "Thousands" of dollars in the driveway and put useless junk (on credit) in the garage.

We buy hot dogs in packages of ten and buns in packages of eight. (go figure)

We have drive-up ATM machines with Braille lettering.

We have drugstores make the sick walk all the way to the back of the store to get their prescriptions while the healthy people can buy cigarettes at the front of the store.

Friendship opens many doors, each with a different view, but none could be more welcome than the door that leads to you.

I learned that the difference between stressful agony and everlasting peace and purpose is the result of one thing:

making the decision!!!!

The person who rows the boat usually doesn't have time to rock it.

We love our fellow humans

I was at the airport, checking in at the gate when an airport employee asked, "Has anyone put anything in your baggage without your knowledge?" to which I replied, "If it was without my knowledge, how would I know?" He smiled knowingly and nodded, "That's why we ask."

I work with a individual who plugged her power strip back into itself and for the sake of her life, couldn't understand why her system would not turn on. A deputy with the Dallas County Sheriff's Office, no less.

On landing, the stewardess said, "Please be sure to take all your belongings. If you're going to leave anything, please make sure it is something we'd like to have or we can use."
