You don't stop laughing because you grow old. You grow old because you stop laughing! Take heed and pass these along to people who need a laugh. I thought you would enjoy this... for all of us. So we need something to make the day a happy place. "The government hasn't found a way to tax you for laughing yet.

### One Day at a Time

Each day is a blessing, enjoy it to its fullest.  
Take one day at a time and cherish the time  
you have.  
Make each moment count, for tomorrow is a  
mystery.  
Don't fear the future but instead, let the  
future fear you.  
Nothing in life is overwhelming unless you  
allow it to be.  
Life is simple at its best; it's really not that  
complicated.  
Don't dwell on the past-- it's over.  
Look forward to the future and embrace the  
present as a gift.  
When life gives you a tumble, remember  
there is an answer to everything.  
No matter how bad it seems, the clouds will  
clear.

### An Attitude of Love

Life presents us with challenges  
That we must overcome,  
And sometimes all the detours  
Can leave the senses numb.  
Life is filled with stumbling blocks  
We pass along the way,  
but it can become a stepping stone  
When love comes into play.  
Wherever there's an obstacle  
That we must rise above,  
It helps to over come it with  
An attitude of love.  
For anger never solves a thing  
And stress will bring us down,  
But love unlocks the doorway  
Where hope and faith are found.  
So many things divide us  
Throughout the human race,  
But love's the great uniter,  
The smile on mankind's face!  
Life presents us with challenges  
That we must rise above,  
And blessed is he who can maintain  
An attitude of love.
