One of those days

An airplane encounters turbulence and starts rocking from side to side. The flight crew quickly wheels out the drinks cart for the jittery passengers.

"would you like a drink?" the flight attendant asks a businesswoman. "Yes," she replies.

"I'll have whatever the pilot's having.

Love your neighbor

Every fall, my brother's neighbor would rake up his leaves and pile them in the bed of his pickup truck. Unable to wrap his mind around why the guy would do this, my brother asked, "Why don't you bag your leaves instead?"

"My way's better," said the neighbor. "I just drive around town until they're all gone."

Resumes ideas I could have used

A kid applying as a stock boy wrote that his last job he was a "petroleum transference engineer for Exxon. His Job was pumping gas. Was hired on the spot.

In response to our posting for a software developer job, a candidate wrote under Summary of Qualifications: "22 years of experience as web developer; BA in organizational management; spent to much time on the computer during childhood." He was hired within a week.

Just got to smile

A farmer's wife become ill, and her husband sends for the doctor, who hurries over with black bag in hand. After examining the patient, he steps outside the sick room and asks the farmer for a pair of pliers. A few minutes later, the door opens and he asks for a hammer and chisel. "Doctor, what's wrong with her?" asked the distraught husband. "Don't how yet," replies the doctor. "I can't get my instrument bag open."

My dog Sam is great exercise. I let him into the backyard, he leaps the fence and I spend the next two hours looking for him.
