### 'Love Free or Die' Screening

**Tuesday, June 25th, 2013; 6:30 pm Circle Cinema 10 S Lewis Ave**

LOVE FREE OR DIE is about a man whose two defining passions are in direct conflict: his love for God and for his partner Mark. Gene Robinson is the first openly gay person to become a bishop in the historic traditions of Christendom. His consecration in 2003, to which he wore a bullet-proof vest, caused an international stir.

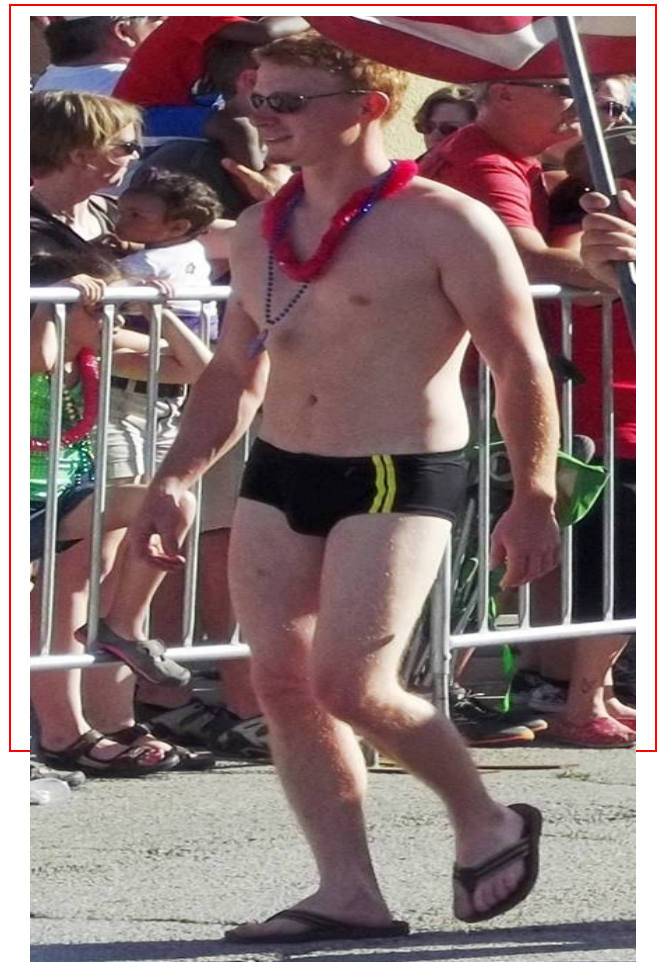

The film follows Robinson from small-town churches in the New Hampshire North Country to Washington's Lincoln Memorial to London's Lambeth Palace, as he calls for all to stand for equality - inspiring bishops, priests and ordinary folk to come out from the shadows and change history.
